# POKÉMON LAYERED PAPER ART

Instructions:

1 Color each of the pictures.
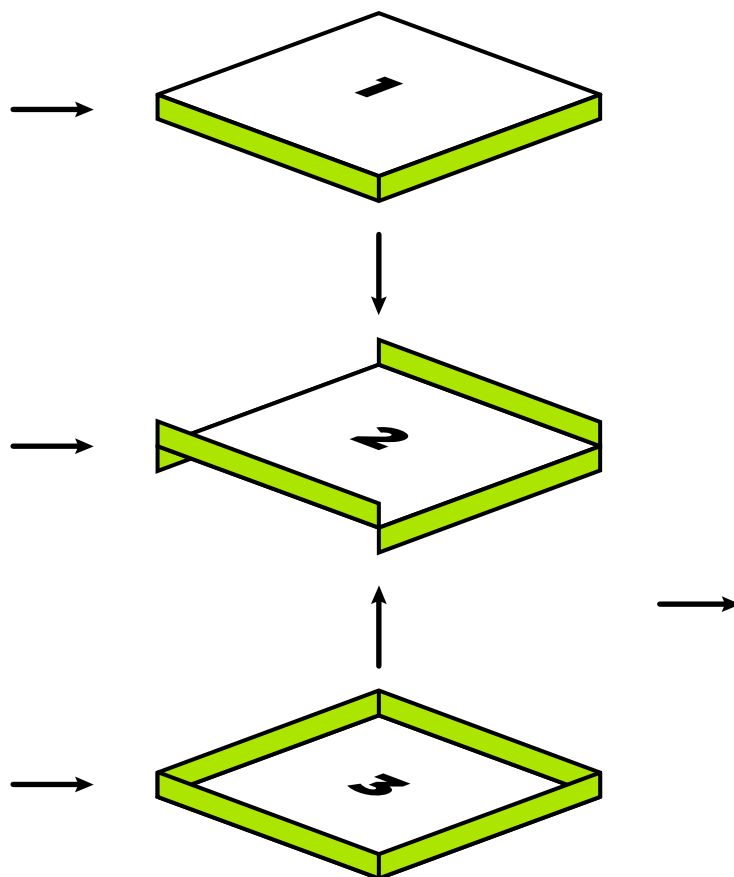

2 Carefully cut out each of the layers.

3 Stack the images together to create a completed scene.

Cut out this gray area.

Cut out this gray area.

1

2

3

4 (optional) You can use a bit of glue between each layer to create a permanent piece of art, and you can even add small pieces of cardboard between each layer to add depth to your artwork.
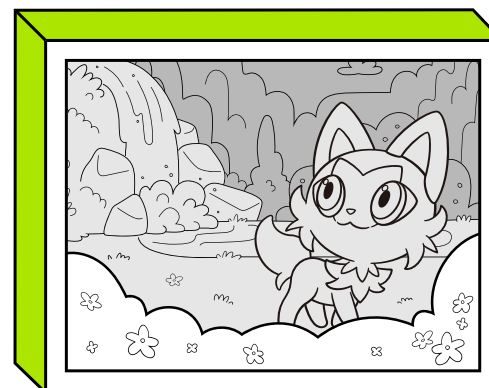

Display your artwork.
