**Notes:**

Please fill out this Team List using the language to which the player's game is set.

All Pokémon must be listed exactly as they appear in the Battle Team, **at the level they are in the game.**

Check the box under "Gigantamax" if your Pokémon has the **Gigantamax Factor**.

A Pokémon's **form** is required in the Pokémon field if the form imparts any changes to stats, types, Ability, move pool, weight, or any other battle statistic. Examples include (but are not limited to) Rotom, Gourgeist, Oricorio, Toxtricity, and all **regional variants** (such as Alolan or Galarian). If the **gender** of the Pokémon affects any battle statistics, as with Meowstic and Indeedee, the gender should be listed as a form. **If in doubt, include the name of the form.**
