## Mega Stone Information

Mega Stones grant certain Pokémon the power to use Mega Evolution during battle. These items must be held by the proper Pokémon to enable Mega Evolution.

Many more Mega Stones can be obtained by exploring Kalos after you've entered the Hall of Fame. Your Mega Ring must be powered up by the sundial at Anistar City in order to discover some of these long-lost Mega Stones. Here's a quick course on how to get your Mega Ring powered up.

- 1 Defeat the Champion and enter the Hall of Fame.
- 2 Obtain TMV Pass from Professor Sycamore at Lumiose Station.
- 3 Try at least one battle in Kiloude City's Battle Maison.
- 4 Defeat Serena/Calem near Kiloude City's north pond.
- 5 Talk to Serena/Calem to hear the professor's message.
- 6 Meet Professor Sycamore near the great sundial at Anistar City.
